

The Willington PTA "UN-Fundraiser"

Supporting our PTA is important because the funds we raise go directly back to the school to pay for things like field trips, assembly presentations, playground toys, teacher appreciation and more. We realize, however, that each family is unique - all with different priorities, needs and time constraints. In recognition of this we try to provide as many opportunities to show your support as possible. This is why we created the UN-Fundraiser, a one time tax deductible donation that makes it very easy for anyone to support our schools. We thank you for doing your part!

Why the "UN-Fundraiser?"

- All donations are tax-deductible
- Donations may be eligible for matching funds*
- 100% of the funds go directly to the Willington PTA with no fees to outside companies

**Some companies will match a donation so please check with your employer and/or company.*

If you wish to contribute, please clip the coupon below and return to school and save a copy of this top portion for your tax records.

Thank you for your support of the Willington PTA!

Date: _____ Amount Contributed: \$ _____

Donor's Name:

Child(ren) School: _____
